ABOUT JAIPRAKASH HOSPITAL AND RESEARCH CENTRE (JPHRC)

Jaiprakash Hospital & Research Centre Pvt Ltd, Rourkela is in its sixth year of operations having opened its door for OPD patients in Oct'2019 & for IPD patients from Dec 2019. It is the only Low-Cost Multispecialty Tertiary Care Hospital in the Eastern India. Within a very short period, it has acquired a reputation of being the fastest-growing healthcare service provider in Eastern India and the tag of being the best healthcare service provider in Western Odisha.

Jaiprakash Hospital - a 307 bedded multi-specialty tertiary care health service provider - is a NABH & NABL accredited and empanelled with ESI, BSKY, FTTF, Ayushman Bharat and other major Health Insurance & TPA service providers. This ensures that any person irrespective of his/her income can avail the treatment at Jaiprakash Hospital, which is built on the premises of providing "Quality Healthcare at Affordable Price" to one and all. Besides Main Hospital at Dandiapali Rourkela, Jaiprakash Hospital also has two satellite centres at Uditnagar, Rourkela and Rajgangpur for OPD services. Similarly it has opened an educational institute in the name of Jaiprakash institute of education and erudition at Dayanandnagar, Rourkela.

HOSTEL FACILITY

At Jaiprakash Institute of Education and Erudition, institute understands the importance of a comfortable and safe living environment for our students. To ensure that you have access to quality hostel facilities, we offer safe accommodation to make your academic journey convenient and enjoyable.

Hostel Facilities:

Hostel facilities are equipped with the following amenities:

- Comfortable and well-furnished, sharing, Non-AC rooms
- 24/7 security for a safe living environment
- Common areas for relaxation and recreation
- Adequate ventilation and natural light
- Clean and Safe Drinking water
- Housekeeping Services
- 24 hrs CCTV surveillance

Hostel Charges:

We are committed to providing affordable accommodation options to our students. The hostel charges are as follows:

- Rs. 36,000 per year

The hostel fee can be paid on a monthly EMI basis. However, the hostel fee for the entire year must be paid, even if the candidate stays in the hostel for only a part of the year.

Please note that once the hostel fees are paid, these are non-refundable.

The fee paid is for entire year and is applicable regardless of whether leaves are taken or there are vacations by the institute. The hostel fees contribute to the upkeep, maintenance, and availability of these facilities for all students throughout the year.

Food and Dining:

For the convenience of the students, institute offer a well-balanced and nutritious dining experience:

- In-Hostel dining hall serving breakfast and dinner every day.
- Hygienic and quality food prepared by experienced chefs
- Well experienced Dietitians and Nutritionist.
- All food serves at hostel/dining hall will be purely vegetarian.

Hygiene Kitchen with modern technology

Dining Hall for students

Ragging Free Campus:

At JPIEE, institute committed to providing a safe living environment for all students. Ragging, or any form of harassment, is strictly prohibited on our campus, and we have a zero-tolerance policy when it comes to any such activities. Any student found engaging in or promoting ragging will face severe disciplinary action, which may include suspension or expulsion from the institution.

Student Grievance Redressal Committee (SGRC) :

A dedicated committee is formed on dated 3rd August, 2024 vide notification no JPHRC/MD/2024/1292 under the **UGC (Redressal of Grievances of Students) Regulation 2023** to ensure students voice is heard and their concerns are addressed with fairness and efficiency.

TRANSPORT FACILITY

At Jaiprakash Institute of Education and Erudition, institute understand that easy and reliable transportation is essential to ensure that students can focus on their education and practical training without the hassle of commuting. That's why institute offer comprehensive transportation services to meet your needs.

Hostel to College: Provide dedicated and secure transportation services for students residing in our college hostels. Well-maintained buses and vans run on established routes to pick up and drop off students, ensuring a safe and comfortable journey to and from the college.

College to Hospital: As a student, you'll spend a significant amount of your time at hospitals and healthcare facilities for hands-on training and clinical experience. Institute offer transportation to and from these sites, making it easy for you to attend your clinical rotations and gain practical exposure in real healthcare settings.

Educational Tours and Hospital Visits: Throughout your academic journey, you may have opportunities for educational tours, hospital visits, and field trips as part of your curriculum. Institute arrange transportation for such occasions to ensure that you have easy access to these valuable learning experiences.

Our transportation services are known for their reliability, safety, and punctuality. We have a team of experienced and licensed drivers who prioritize your safety and comfort during your journey.

FEE STRUCTURE

At Jaiprakash Institute of Education & Erudition, Institute committed to providing our students with access to quality education and various support systems to help them achieve their academic and career goals.

Benefits for In-house candidates

We believe in recognizing and supporting the dedication and commitment of our in-house candidates who are already working at Jaiprakash Hospital and Research Centre. To encourage and empower these candidates to advance their education, we offer special benefits as mention below.

- Study leave will be given to eligible in - house candidates and service continuity will be maintained.
- 20% discount will be provided to eligible in- house candidates.
- The in-house candidates will be given admission in management quota seats only subject to availability of seats.
- The candidate must meet all the eligibility criteria as prescribed by govt. of Odisha/DMET for admission at JPIEE.
- The candidate who would like to take admission through govt. quota seats must follow all the rules for govt. quota eligibility, JPHRC will grant study leave to such candidate without any scholarship as in-house candidate but the candidate will remain eligible for other scholarship scheme as applicable for any general candidate.
- To become an in-house candidate the employee of JPHRC must have completed 3 years of service in continuity. However, for the 1st three years of academic sessions of JPIEE, the employees of JPHRC who have completed one year of service may also apply and their application will be considered on case to case basis.
- The continuity of service for all in-house candidates will be maintained and will rejoin at the same designation at which she/he left for studies. Further appraisal and promotion shall be done based on the recommendation of appraisal committee considering new acquired skills and qualification.

- Both government quota and management quota students can avail the EMI facility, and no interest or extra money will be charged on the EMI.
- The course fee mentioned above will be same for all years throughout the entire duration of the course.
- Any student admitted through management or government quota who receives any government scholarship or sponsorship towards their course fee payment shall be required to deposit the entire amount to the institute to settle any due/pending payments.

PLACEMENT ASSISTANCE

At Jaiprakash Institute of Education & Erudition, we understand that your education is not only about acquiring knowledge and skills but also about launching a successful career in the healthcare industry. That's why we take great pride in offering comprehensive placement assistance to our students.

Our dedicated Career Services team is committed to helping you transition seamlessly from the classroom to your dream job. Here's how we support your journey to a fulfilling career:

- 1. Captive Employer:** One of the additional advantages of studying at Jaiprakash Institute of Education & Erudition is our status as a captive employer. This means that as a graduate, you have the exclusive opportunity to explore careers within our parent healthcare institution, Jaiprakash Hospital and Research Centre.
- 2. Corporate Tie-Ups, Government Schemes, and TPA Partnerships:** To provide our students with a competitive edge, we have established extensive corporate tie-ups, government schemes, and partnerships with Third-Party Administrators (TPAs) to offer unparalleled placement assistance. These partnerships mean that our graduates have a direct link to a wide range of employment opportunities with reputable healthcare institutions.
- 3. Industry Connections/Off Campus:** We have cultivated strong relationships with leading healthcare institutions, hospitals, clinics, and other healthcare organizations. These connections open doors to a wide range of employment opportunities for our graduates.
- 4. Resume Building:** Our internal placement cell will work closely with you to create a professional and impressive resume that highlights your unique strengths, skills, and educational achievements.
- 5. Interview Preparation:** We offer interview coaching, including mock interviews and guidance on how to present yourself confidently during job interviews. You'll have the tools you need to shine in front of potential employers.
- 6. Job Listings:** Access to a database of job listings and opportunities specifically curated for our students. Stay informed about the latest job openings in the field.
- 7. Networking Events:** Attend industry-specific networking events and job fairs to connect with potential employers and make valuable professional connections.
- 8. Ongoing Support:** Placement assistance doesn't end after graduation. We're here to assist you throughout your career, helping you advance and adapt to the changing healthcare landscape.

With Jaiprakash Institute of Education & Erudition, you're not just gaining an education; you're gaining access to a world of career opportunities. Your success is our priority, and we're here to support you in every step of the way.

RULES AND REGULATION FOR ADVANCE BOOKING OF SEATS

- All the prospective candidates in management quota can propose to book seats in advance for the academic session 2025-26.
- The proposed candidate should be eligible for the desired course at the time of admission.
- For courses with a duration of 1 year or less, candidates can book advance seat by paying ₹5,000.
- For courses with a duration of more than 1 year, candidates can book advance seat by paying ₹10,000.
- The advance seat booking fee is non-refundable under any circumstances.
- If the candidate confirms their seat and enrolls in the course, the advance booking fee will be adjusted against the 1st year course fee.
- The advance paid by the candidate does not guarantee admission but only preference for admission based on discretionary power of the management of JPIEE.
- After following proper admission process the candidate will be issued letter to deposit remaining part of money for the 1st year course failing which the right to admission of the candidate will be forfeited and the preference will be given to subsequent candidate.
- In case the candidate earns scholarship or any other benefit offered by JPIEE, the same shall be adjusted in the balance payment during admission process.
- In case the candidate earns a government category seat and prefers to take admission in that category at JPIEE then the same will be allowed and the payments will be adjusted accordingly.
- In case the candidate earns a government category seat and want to take admission in some other institute then the candidate will be allowed for the same and the advance paid by the candidate will be forfeited.
- Change of course by the candidate at any time of admission process is allowed subjected to availability of the seat and eligibility of the candidate for the same. In such case the fees paid by the candidate will be adjusted accordingly.

STUDY LOAN BENEFIT

- Candidate can avail the third party study loan to pay the course fee.

TPA & PANEL INFORMATION

To get you back to your healthy self and back to the comfort of your home, we at Jaiprakash Hospitals have tied up with recognized Third Party Administrators and insurance companies, providing you with a hassle-free experience.
